### About Us

Our Values

Located in Millstone, we are your neighborhood tax experts: honest, dependable, accurate, and most importantly, knowledgeable about every aspect of IRS and state regulations that affect individuals, families, and small business owners just like you. In addition, unlike our competitors, Income Tax & IRS Audit is not just open during tax season, but is here to serve the community all year long. Our firm provides outstanding service to our clients because of our dedication to the three underlying principles of professionalism, responsiveness and quality.

Our firm is one of the leading firms in the area. By combining our expertise, experience and the energy of our staff, each client receives close personal and professional attention.

Our high standards, service and specialized staff spell the difference between our outstanding performance, and other firms. We make sure that every client is served by the expertise of our whole firm.

Our firm is responsive. Small businesses and individuals who choose our firm rely on our competent advice and fast, accurate personnel. We provide total financial services to individuals, large and small businesses and other agencies.

Through hard work, we have earned the respect of the business and financial communities. This respect illustrates our diverse talents, dedication and ability to respond quickly.

An accounting firm is known for the quality of its service. Our firm's reputation reflects the high standards we demand of ourselves. Our primary goal as your trusted advisor is to be available and to provide insightful advice to enable our clients to make informed financial decisions. We do not accept anything less from ourselves and this is what we deliver to you. We feel it is extremely important to continually educate ourselves in our profession to improve our technical expertise, financial knowledge and service to our clients.

Our high service quality and "raving fan" clients are the result of our commitment to excellence.
